SUMMARY

Full Stack Web Developer with a background as an Infantry Officer in the US Army offering a unique perspective to any diverse team. Eager to continue learning and developing, both personally and professionally. Experienced with critical thinking, decision making, and comfortable working through adversity.

TECHNICAL SKILLS

Languages and Technologies: JavaScript, jQuery, HTML, CSS, Bootstrap, Tailwind, SQL, Sequelize, NoSQL, MongoDB, Node.js, Express, React, Handlebars, APIs, MERN Stack

Tools: Github, Git, Slack

PROJECTS

My Portfolio | [Github Repository](#) | [Portfolio](#)

- A digital portfolio I created using React to showcase who I am, my skills, and my recent projects
- Tools: JavaScript, HTML, CSS, Tailwind, Node.js, React

Stress Free Me | [Github Repository](#)

- Collaborated as a front-end developer on a full-stack (MERN) app that enables users to track stress factors in their daily lives with a short survey and dynamic charts and graphs
- Tools: JavaScript, HTML, CSS, Bootstrap, ChartJS, React, Node.js, Express, MongoDB, Mongoose

The Birthday App | [Github Repository](#) | [Demo](#)

- Contributed to the development of a fun app that uses third-party APIs to generate the Billboard 100 top song and historical facts based on a user input date
- Tools: JavaScript, HTML, CSS, Tailwind, Day.js, third-party APIs

EXPERIENCE

UNITED STATES ARMY

May 2015 – May 2023

Company Commander (Area Manager), Austin Army Recruiting Company (2021-2023), Austin, TX

- Led and coordinated a team of 45 soldiers and officers in Army recruiting efforts across 4,355 square miles, engaging with 18 colleges and 65 high schools in the greater Austin area
- Managed over \$400,000 per fiscal year for advertising, sponsorships, and events
- Responsible for recruitment of over 600 highly qualified individuals into the US Army

Company Commander (Manager), 198th Infantry Brigade (2020-2021), Fort Benning, GA

- Supervised 25 soldiers and officers ensuring the successful training completion for over 500 soldiers with a 90% pass rate; oversaw the safe execution of 88 unique training events per class cycle
- Implemented an \$8M per class budget to resource transportation, meals, and supplies for the unit
- Mentored junior officers on critical thinking, decision making, leadership, and professionalism

Battalion Mortar Platoon Leader (Senior Team Leader), 1st Infantry Division (2018-2020), Fort Riley, KS

- Deployed the 22-person unit to Eastern Europe and conducted joint-operations with multinational forces
- Selected ahead of 11 peers to lead a specialized team with increased responsibilities
- Achieved the highest level of qualification for the unit within the last 10 years

Infantry Rifle Platoon Leader (Team Leader), 1st Infantry Division (2017-2018), Fort Riley, KS

- Facilitated the operations and training of a platoon consisting of 40 soldiers and four armored vehicles
- Accounted for serialized property and vehicles worth in excess of \$15M using detailed Excel systems
- Recognized as the top ranked infantry platoon out of four in the battalion

Operations Officer (Assistant Operations Manager), 1st Infantry Division (2015-2017), Fort Riley, KS

- Developed holistic training plans for a combined arms battalion consisting of approximately 600 soldiers and 150 vehicles resulting in the execution of two successful training deployments and 45 local exercises
- Coordinated operations between eight functional teams

EDUCATION

University of Texas, Austin, TX

December 2023

Full Stack Web Development Boot Camp Certificate

- Intensive, full-time program specialized in MERN stack web and software development

United States Military Academy, West Point, NY

May 2015

Bachelor of Science, Double Major in Arabic and Defense & Strategic Studies

- Vice President, West Point Tactics Club
- Member, Model Arab League
